The restaurant remains open Mon. to Thu. on weekends only for groups, and reservations from 15 people.

The fitness room and sauna may be operated, in compliance with the general distance rules, and only by appointment. Please contact the reception in this regard.

According to the current hygiene regulation, it is recommended to clean only the departing rooms.

We try to meet all the requirements that are given to us as well as possible, so that we can soon open again "normally" and without restriction. We can only do this with your help! The well-being of our guests and employees continues to come first!

Guests who are not prepared to comply with the following rules must be denied access within the scope of the domiciliary right.

We would be pleased if you still want to be our guest!

Kind regards from the Avantgarde Hotel
